Respected Sir,

Please acknowledge sincere Greetings from Mendine Group of Companies !!!

Mendine Pharmaceuticals Pvt. Ltd.– operating with a glorified journey since 1937, is listed among the top 200 companies in India with our business network in the Eastern India (Bengal, Bihar, Jharkhand & Odisha), North-Eastern India (Assam, Meghalaya, Mizoram & Tripura) and Eastern UP.

Our horizon of expertise expands from cutting edge Allopathic Drugs to age-old traditions of India – the Ayurvedic Drugs. We have an ISO:9001:2015, GMP/GLP certified Manufacturing, Formulation and Development set-up of our own with a wide range of Pharmaceutical, Nutraceutical and Food Supplement Products. We also have an SBU (Strategic Business Unit) called Mendine Lifecare Products Pvt. Ltd. - which focuses on ethical products promotion. We continuously aim at tracking new technologies to augment the quality of life and bring a smile to our consumers' faces. We, at Mendine, always believe in retaining the goodwill of customers and spreading knowledge about good health and life. Our ethos is to perform with integrity and we believe in competitive compliance by building a newer and healthier tomorrow with adequate research and intensive studies.

As a part of our Corporate Social Responsibilities, we, under the banner of "EDUCYTE" (A Division of Mendine Erythronet Pvt. Ltd.) - we have taken an initiative to develop Industry-Institution Collaboration with a noble objective to share our views and guide the students about their career prospect as per industry specific needs - in alignment with their academic knowledge and to feed the Industry with Trained & Skilled Professionals as well.

With this Nobel objective, we hereby earnestly solicit your kind patronage in allowing us to visit your esteemed Institution and to conduct an interactive session with the students in presence of Faculty Members, so that the students can be benefitted and be aware of their career progression.

Warm Regards,

For & on behalf of Mendine Group of Companies,

Proposal for Offline-Online Internship Training & MOU on Industrial Interaction between Amuktika and Singur Government General Degree College

Amuktika <amuktika@gmail.com>
To: sandipan.compsc@singurgovtcollege.org

Mon, Feb 12, 2024 at 5:07 PM

To,
The Principal,
Singur Government General Degree College,

Sir,

I, Subham Das, am writing on behalf of **Amuktika**, an eco-friendly products manufacturing unit located in Kolkata, West Bengal. We are passionate about creating sustainable solutions and fostering responsible manufacturing practices.

We are reaching out to propose a collaborative initiative between Amuktika and Singur Government General Degree College that focuses on:

1. Offline-Online Internship Training:

- We propose to offer internship opportunities to students interested in the bioeconomy sector. These internships will combine online learning modules with hands-on experience at our manufacturing facility in Kolkata.
- The online modules will cover topics such as:
 - Introduction to the bioeconomy
 - Sustainable manufacturing practices
 - Eco-friendly product design and development
 - Life cycle assessment
- The on-site internship component will provide students with practical experience in:
 - Production processes
 - Quality control
 - Waste management
 - Marketing and sales of eco-friendly products

2. Memorandum of Understanding (MOU) on Industrial Interaction:

- In addition to the internship program, we propose to establish a formal MOU between Amuktika and Singur Government General Degree College. This MOU will outline our commitment to collaborative activities such as:
 - Guest lectures by Amuktika experts at the college
 - Joint research projects
 - Industrial visits for students
 - Faculty development programs

Consideration of Your Part

To provide Convenience (Travel-Fooding-Lodging Expenses) & Other Infrastructure (AV Sets, Classroom Etc.) for Offline Visits.

Overall Objective:

Our primary objective for this collaboration is to create employment opportunities in the bioeconomy sector by:

- Equipping students with the necessary skills and knowledge to thrive in this growing field.
- Providing them with practical experience in a real-world manufacturing environment.
- Fostering a culture of innovation and sustainability within the college community.

We believe that this initiative aligns perfectly with Singur Government General Degree College's mission to provide its students with quality education and prepare them for successful careers. We are confident that this collaboration will be mutually beneficial and contribute significantly to the development of skilled professionals in the bioeconomy sector.

We are eager to discuss this proposal further and explore the possibilities of working together. Please feel free to contact me at amuktika@gmail.com or 8961381389 to schedule a meeting.

Thank you for your time and consideration.

Sincerely,

Subham Das
